Hawaii and McKinley Win Basket-ball Games

College Team Leads the Punahou Squad By Score of 20 to 10—McKinley Defeats Kamehameha Five By Big Score—Large Crowd Attends Interscholastic Contests—Race for Flag Between Hawaii, St. Louis and McKinley Squads

Inter-scholastic Basket-ball League	W.	L.	Pct.
Hawaii	2	0	1000
St. Louis	1	0	1000
McKinley	1	0	1000
Punahou	0	2	.000
Kamehameha	0	2	.000

Hand one more laurel wreath to the boys at the College of Hawaii. Yesterday afternoon at the Y. M. C. A. they won their second decisive victory in the Interscholastic Basket-ball League by trouncing the Punahou five by a score of 20 to 10. This gives them a tie with St. Louis for first place, and an opportunity to claim the bunting.

Hawaii started out with a rush and had the game well in hand throughout. The team work developed and the passing was a bright feature of the afternoon. Spencer was the big point winner for the squad, netting 14 out of 20 points. Peterson was the star basket thrower for the Punahou quintet, landing six points for his team.

Three Leaders. From the play of yesterday the chance for the title appears to rest between Hawaii, St. Louis and McKinley. The Saints have many admirers who believe that they will romp home with the title, but supporters of the other squads are confident that the Saints will not be on top when the schedule is completed.

One of the features of the interscholastic games thus far has been the spirit displayed by the players. They have kept going from start to finish and have made the games interesting to the spectators' standpoint. In yesterday's contest, the players were active and for a time Punahou showed a burst of speed that was commendable. The floor game has proved to be unusually popular, and with many fast teams in the city, the indoor sport is to be numbered as one of the real major sports.

College of Hawaii—Spencer, Fennell and Starratt, forwards; Drash, center; Brown, Barnhart and Hicks, guards; Punahou—Peterson, Rothschild and Graham, forwards; Ebersole, center; Higgins and Walker, guards.

Goals from field—Spencer 7, Fennell 2, Drash, Peterson 3, Rothschild, 2. Points from foul—Rothschild, 2. Referee—Glenn E. Jackson.

McKinley 20, Kam 3. McKinley secured a slight touch of revenge as it is sometimes called in athletics yesterday afternoon at the Y. M. C. A. when the high school basketball five smothered the Kam quintet by a score of 20 to 3. It was a running game from the start, but Ka-

mehehema was never in the running. Victor Kahn was the big star for McKinley while Clifford Melim used his speed and managed to annex eight points during the afternoon. Kahn was all over the floor, and his accuracy in throwing baskets was one of the features of the afternoon. He heaved six into the net for a total of 12 points.

Kam inexperienced. Kamehameha had few stars. The players, who are mostly recruits at the floor game, showed possibilities of development, but they lacked team work. In this feature McKinley proved to be far and away the best organization. Most of the Kam players were stars on the gridiron last year and the playing was different as they were well aware after the contest.

Harry Melim, one of the leading players in the city, was unable to play with the McKinley squad, and Kenneth Decker, Sam Lulan and David Bent were also out of the game. Failures in studies was said to be the cause of their not donning uniforms. Charles E. Goebig as referee was satisfactory as an official.

McKinley—Victor Kahn and C. Melim, guards; Gordon Ross and F. Carter, center; F. Rosehill and H. Bent, guards.

Kamehameha—Smythe, Dower and Hussey, forwards; Eaton and Wright, center; Peneku, Simeona and Anahu guards.

Goals from the field—Kahn 6, Melim 4, Smythe.

Points from foul—Peneku.

Referee—Charles E. Goebig.

REED LEADS ALL LOCAL BOWLERS

George Reed still holds the lead in the Y. M. C. A. bowling league with an average of 174.4. Benson is second, a pin behind, and White replaced Rasmussen for third place when the latter slumped Wednesday evening.

Gomes jumped up to ninth place by his record-breaking feat Thursday evening. Haney, Chamberlin and Clark hold their own in the 170 class during the week. Complete averages for the season to date:

Names	Club	Games	Average
Reed	S	36	177.44
Benson	S	30	176.20
White	C	32	174.25
Chamberlin	CC	36	173.69
Haney	HH	15	172.81
Rasmussen	CC	32	172.25
Clark	H	35	170.45
Mosley	S	35	169.31
Gomes	P	31	168.93
Soares	P	35	168.77

Tonight's Games.
7:30—Service vs. Tigers.
8:15—Washingtons vs. Knights of Kamehameha (Intermediate League).

"Some people are a bit dull of comprehension," says Scotty Chestnut, the Southern League umpire. "We were down at Orlando, Fla., in the spring and I announced the batteries one day. At that time Stuffy Johnson and Arthur Johnson were both on the Birmingham Club. I yelled: 'Johnson will pitch and Johnson will catch for Birmingham.' Some far rose up in the grandstand and bawled: 'Howth, hell does he do it?'"

They Will Meet Fast Mainland Fives

Service basket-ball team of the Y. M. C. A. League. Front row, left to right—Hugh M. Cosgrove, J. C. Wheeler, Charles Gevarder, Joseph Hackett (captain). Back row, left to right—Glenn E. Jackson, director; J. A. Brush, manager; Roger L. Noyes, P. R. Merrilees and Harry Henry.

LOCAL BOWLERS BUTTED OUT BY GOAT ISLANDERS

Mainland Team Rolls Mark of 2754; Second Highest of Season

Wireless advices from San Francisco this morning show that Honolulu met its Waterloo in the bowling match with the U. S. Naval Training Station last evening. The Goat Island sailors rolled 2754 against Honolulu in the California League tournament.

This is the second best mark of the year, Honolulu having held the record to date with 2802 against Fort McDowell. No word came regarding the scores by games, and a service message has been sent to the league headquarters requesting this information. Honolulu has lost the total pinfall and the first game without doubt. There is a chance for the second and third games in which the local "Y" bowlers did well.

Benson was high man on the regular team with a 181 average. Mills had high score, 231. Haney, bowling on the second team, had the highest pinfall of the evening, and Gear also topped the regulars. Mosley did very well on the first team.

For next week's match against Oakland, Goebig and Wikander have both qualified while Benson, Mills and Mosley hold their places. The Honolulu scores:

First Team.	Games	Average	Total
Reed	139	158	455
Benson	162	168	214
Mills	153	231	151
Mosley	165	199	186
Chamberlin	150	165	165
Total	769	912	874

Second Team.	Games	Average	Total
Gear	166	199	184
Goebig	189	188	163
Treptow	139	154	157
Wikander	173	152	199
Haney	167	223	167
Total	834	916	870

FULTON DEFEATS PORKY FLYNN IN 20 ROUND BOUT

NEW ORLEANS, Jan. 29.—Fred Fulton, who was slated to meet Jess Willard here for the championship of the world, defeated Porky Flynn last evening in a 20-round bout. The bout was enough to prove that Fulton was still a comer, and his footwork in the early rounds was fully up to the standard of the "white hopes."

Fulton did not show the punch that has sent the last eight opponents out of ten to slumberland, but his improvement over past bouts in ring generalship was noticeable. Porky Flynn has been a hard man to stow away, and the showing of Fulton is not a discouragement. Jack Dillon, Sam Langford, Battling Levinsky and Al Reich failed to win a decision over Fulton's opponent during the past year.

HEALANI BOAT CLUB PLANNING BIG CAMPAIGN FOR 100 NEW MEMBERS

The Healani Yacht and Boat Club is going out to make the club a bigger, better, livelier organization—the liveliest boat club in Hawaii, declare the members.

Announcement is made of a special meeting on the evening of Wednesday, February 2, at 7:30 p. m., to amend the by-laws and provide special initiation fees, preparatory to a whirlwind campaign for 100 new members. The club is also preparing to install much additional equipment for the recreation and physical exercise of the members, including sets of boxing gloves, a new punching-bag, dominoes, checkers, cards and other games.

The club plans to have "something doing" at the clubhouse on the harbor several times a week. At least once a week there will be a social event, either a smoker for members and guests, a dance or something of the sort. Once a week also will be set aside for veteran members. Men who have been members of the club for ten years or more are asked to the clubhouse on this night, which is still to be set, to enjoy themselves in any way they see fit.

Captain Charley Brown is planning a series of races, both boat and swimming, for club-members only and it is hoped to get a lot of the older members interested in this.

The Healani are also planning to make a great showing in the next annual regatta and want to build up their new material. With the spirit in which the new campaign is undertaken, this boat club should have a splendid year.

[Special Star-Bulletin Correspondence]

SCHOFIELD BARRACKS, Jan. 29.—The 1st Field Artillery will start their annual series for the regimental baseball championship tomorrow when E Battery will play C Battery. In a practice game played last week between these two teams E Battery was the victor by a single run, so that the opening game of the series is sure to be a close one.

All of the six batteries have entered teams in the series and each team will play all the others three times, making 45 games in all. Games will be played on Saturday, Sunday and Wednesday afternoons.

C Battery Holds Trophy. The regiment has a large silver trophy standing 28 inches high upon which is engraved each year the battery letter of the winning team. For the past year this beautiful cup has graced the club room of C Battery, where it has formed the principal decoration. The winning battery also receives a smaller cup which it retains as a permanent trophy.

Ever since the regiment was assembled at Schofield in 1913 an annual baseball series has been held, and the outcome has each year been in doubt up to the last few games. Year before last B and F batteries were tied for first place and were required to play a special series of games to settle the championship. Last season C Battery was only one game ahead when the series was brought to a close.

One of the rules for the series this year is that no player may pitch more than five innings in any one game. This will prevent any one battery with an exceptionally good pitcher from gaining thereby any great advantage, and at the same time will develop pitchers for the regimental team.

Umpires are to be selected from the other regiments, and it is likely that Sergts. Hollingsworth and Collins of the 25th Infantry will officiate in a great number of the games.

"Em" Kammerling says he knew in a moment he had made a mistake when he said "Gracco-Romo"; that what he should have said was Gracco-Bromo.

Service Five In Good Condition For Jaunt

Star Basket-ball Squad Will Leave Honolulu February 5 for Mainland—Big Benefit Game at Y. M. C. A. on February 2—Aggregation Will Meet Fast Squads on Mainland—May Have Chance to Play Olympics, Santa Clara and California

Speed and accuracy. These two qualities make the combination that has been chosen to represent Honolulu basketball and the Honolulu Y. M. C. A. one that will give the mainland teams a hard battle for any victory and that will double spell many victories for the Honolulu team. If the Oakland and San Francisco "Y's," the two teams the local association is most anxious to beat, succeed in taking the Maroon and White into camp, they will display more speed and fight and team work than any other Honolulu team has shown.

Most of the credit for the present combination goes to J. A. Brush, the man who will pilot the team to the States and back again. Between Brush and the department hospital a nucleus for a strong quintet was quickly formed, with Hackett, forward and captain; Gevarder, the other goal taker, and Wheeler, guard. Brush also stands ready to enter the game at any time his team needs his assistance, and he doubtless will be of use that way. There is certainly no fear of accidents with a large delegation from the hospital corps to care for the wounded—whether or not they will travel with stretcher and ambulance has not been decided.

Eight Men to Go. Transportation has been assured for all eight men who are to make the trip. Three days will intervene between the big farewell benefit game and their sailing, but those three days will be devoted to severe practice, to make the time lost on the ocean less noticeable. Substitutes will be used next Tuesday night for those members of the service team who belong to the team and they will not be permitted to play unless their team mates are in serious danger.

The seat sale for the game February 2 has been going better than was expected for such an early date.

Tackle Olympics. If the service team wins from the associations around the bay it might add to the fame of the local team if they can schedule games with the Olympic Club, Santa Clara and the University of California. These aggregations are unusually strong and would show the mainland people the class of basketball that is played here.

The Olympic Club five is planning on a tour through the East, meeting the best teams in the country, and should the local basketballers win from this team it would add a heap of strength to the athletic fame of Hawaii. The locals have a mighty strong squad, and should be able to hold their own against the best on the mainland.

With the local bowling team leading the Coast League, and the local swimmers heading the list, another mark in another sport would surely benefit Hawaii. There is nothing else that will boost any section like good athletics and a winning basketball squad will be a great thing for Hawaii. It is expected that a record crowd will be in attendance at the benefit game on February 2.

NEBRASKA STAR WANTS TO PLAY BASEBALL HERE

N. R. Smith, former varsity third baseman of the University of Nebraska, is in Honolulu and is looking for an opportunity to line up with one of the fast teams. Smith is at present in the employ of the Honolulu Construction Company, and intends to make his home in this city.

Last year the former Nebraska man was a member of the Five Point Merchants' team in the Denver City League, which won the amateur championship of Denver. During the season he played third base and left field with this aggregation. Smith is a husky fellow and reports that he hit well last season in the league series.

He not only stars on the diamond, but made his N at Nebraska in football, playing left half on the Cornhusker team. He was appointed to West Point by Senator Clarence Clark of Wyoming, but failed to secure admission. Smith later coached the Cheyenne high school team, which had a very successful season. The former Nebraska man states that he is in good condition, and would like to get a chance to play in the Olympic series. He may be reached at the Honolulu Construction Company.

George Stovall, Jack Hendricks and other wise guys are predicting that all records will be broken when it comes to cutting salaries. The other fellows, who will escape, they say, will be some of the real stars like Cobb and Johnson, who bring the money in at the gate.

That was a mistake about Antonio LaGrave working in a laundry in Nevada. Eddie McAuliffe brings word that Antonio is the champion mucker of Goldfield.

What healthy Nerves Mean to You

A strong, vigorous nervous system means health, strength and ability to endure hardship and also to enjoy the full pleasures of life.

The man with healthy nerves accomplishes greater tasks with less fatigue. He has a clear eye, an active brain and a sound body. He is enabled to think better and work faster. He has energy. With healthy nerves he can overcome the hardest competition, be successful and gain wealth.

The woman with healthy nerves is never listless, weak or hopeless; she is not irritable, she never suffers from hysteria, she has a reserved surplus of endurance. Healthy nerves will prevent the sleepless mother, although worn with care and nursing, from a "break down" caused by her double or treble duty.

All men and women who suffer from these forms of nervousness—known as Neurasthenia—who have "gone to pieces," who lack energy, who have insomnia, who have succumbed to nervous prostration or nervous exhaustion, either mental or physical, whose condition is one of irritable weakness, will find ready relief and cure in the peculiar properties of

SENSAPERSA

(Formerly called Persian Nerve Essence.)

These wonderful little tablets contain no mercury or other injurious drug. They act like magic. The bright eye, the elastic step, the clear and active brain, the courage and strength and comfort they impart are noted almost from the first day they are taken.

One box of Sensapersa will do a great deal of good, the full course treatment of six boxes is guaranteed to give absolute satisfaction or the money will be refunded.

The proprietors earnestly ask for every sufferer to give Sensapersa a good fair trial at their risk. Don't delay, commence today. Sold by Chambers Drug Co., Hollister Drug Co., Honolulu Drug Co., or sent post-paid for \$1 per box or 6 boxes for \$5. THE BROWN EXPORT CO., Dept. 16, 74 Cortlandt, St. New York, N. Y.

NOW HE GRINS TOO!
